UO FIP Draft NPR 3-15-16-MASTER CLEAN (version transmitted to OAQPS).KAMdocx.docx

Hi Dee and Claudia –

I know the FIP is in HQ now, but wanted to flag a couple of things for you in the attached excellent edit that Kimi did. As a general matter I think we can work these comments into the OGC review, but you may want to look at a few things now in anticipation of making the changes sooner or later in any case. In particular, I'd suggest checking the comments on pp.16 and 38, 22, and 42, in addition to various minor corrections. Also, Kim is looking at a few Indian law questions, notably those on p. 24. We'll work with OGC on finalizing that language and will keep you posted in any case.

And forgive me for losing track of this, but what is the specific deadline that we're asking for HQ review to be complete by? I would like to be sure that OGC is aware of it and gets their part done in time.
